Waupaca County ARES Weekly Net Preamble

At about 8:00 pm on the 146.925 Repeater announce that the Waupaca County **ARES** net will begin shortly.

Preamble

Good evening and welcome to the Waupaca County **ARES** Net.

This repeater will remain open for any emergency traffic. Stations checking into this net are requested to state slowly your callsign phonetically, your name, location and whether or not you have traffic for the net.

Calling the Waupaca County Amateur Radio Emergency Services Net

Your net control station this evening is _____, my name is _____ and I am located in _____. This net meets each Sunday evening at 8:00 PM local time on the 146.925 Repeater, PL 118.8. In the event of a repeater failure the net will move to the 147.390 Repeater with A PL OF 118.8.

The purpose of this net is for information exchange and for the training and education of ARES matters. This is a directed net, therefore all communications on the net will be under the direction of the net control station: however, emergency traffic may break the net at any time.

Is there any formal written traffic? Please call _____ net control.

We will now stand by for short time, portable or mobile stations, please call _____ net control.

We will now stand by for all other stations anywhere, with or without traffic, wishing to check into the Waupaca County ARES net, please call _____ net control.

Remember to take check-ins periodically throughout the net.

This would be the time to let people go with the traffic they have for the net.

The practice of second go- rounds is up to the Net Control Station, if you choose to do so now would be the time.

Are there any other discussion items from any of the members on the net before we close?

I would like to thank everyone for checking in this evening. Everyone is welcome back next week when your NCS will be _____. Until then this is _____ signing the Waupaca County ARES net clear at _____ local time and returning the repeater back to normal amateur use. 73 everyone and have a good week.
