Purchases: 4 Jacks \$94.79

OLD Business:

- a. When Severe Weather occurs, any amateur radio operator can activate a Sever WX Net. Spotters checking into the Severe WX net should keep track of all check-ins just in case the net operator has to leave the net.
- b. Chuck mentioned that Andy Carlin notified Chuck that the County's 39 repeater at Symco is temporarily down for about a month.
- c. Cody Lind gave an update on the trailer floor. The floor has been relayed in the trailer. Cody wants to put a transmission strip down yet and said he is looking for the transmission strip size to be 80"L x 4" W. Durand mentioned he would see if he could make one and will keep Cody informed.
- d. Leighton bought three scissor jacks for the trailer and adapters/wood planks were also discussed for using with the jacks.
- e. Leighton is working on the bench for the trailer and asked what the bench size, purpose, location, material type to be used does the group want the bench to be. Discussion about the bench was talked about.
- f. Chuck mentioned all members that have WICAM cards, and he will get cards for those who do not have cards yet.
- g. If you are interested in attending the AUXCOM class being held sometime in October in Oshkosh, Chuck mentioned you need to get a hold of Stan right away if interested. He believes the classes will be held on Friday, Saturday, and Sunday.
- h. George cleaned up the Wautoma repeater at the Wautoma water tower location. Chuck and Glenn went to the site to check out the system. At first the transmitter had receive problems, but Glenn fixed the repeater and now it transmits and receives good. The status of the Wautoma repeater is still being discussed with emergency managers, but George is working with them.

III. NEW Business:

- a. Everyone thanked Joe (KD9USW) for donating a new laptop to the Waupaca County ARES/RACES group, and Cody (KD(QXL) for repairing the trailer floor.
- b. Dave (WB9GBG) mentioned it is time for people to let him know if you want to participate in the Waupaca Triathlon communications assistance with the Waupaca County ARES/RACES. The Waupaca Triathlon is held on August 19th. Leighton and Mary Trice will be the NCS station operators.
- c. Jim Johnson (KD9RQC) needed help with putting up a Yaesu KDX10 random wire antenna. Members provided ways to put the antenna up to Jim during the meeting. Jim stated he will use the suggestions and if he needs further help, he will contact the members for more information.
- d. Carol (KD9WRY) provided an update on this year's Field Day exercise being held at 108 E. Ann Street in Weyauwega (in front of old IGA store next to JD's Café). Anyone interested can find information on the Waupaca ARES website under the upcoming events page, on the Facebook page, or contact admin@waupacacountyareswi.org
